---

Now in its 2nd edition, Charlotte Huck's Children's Literature: A Brief Guide provides essential information for designing pre-K-to-8 literature programs. Expertly designed in a vibrant, full-color format, this streamlined text has a strong emphasis on researching, evaluating, and implementing quality books in the classroom, the critical skills needed to search for and select literature. Kiefer's guide gives readers the tools they need to evaluate books, create curriculum, and foster a lifelong love of reading for students. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. - Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
