Workplace Security Essentials

Whether you are a business owner, department manager, or even a concerned employee, Workplace Security Essentials will show you how to improve workplace safety and security using real-life examples and step-by-step instructions. Every organization, be it large or small, needs to be prepared to protect its facilities, inventory, and, most importantly, its staff. Workplace Security Essentials is the perfect training resource to help businesses implement successful security measures, boost employee morale and reduce turnover, protect the company's reputation and public profile, and develop the ability to process and analyze risks of all kinds. Workplace Security Essentials helps the reader understand how different business units can work together and make security a business function-not a burden or extra cost.
