Inside Texas Politics

The second edition of Inside Texas Politics provides an exciting insider's perspective on the world of Texas government. The book's focus on how power struggles have shaped Texas institutions and political processes offers a fresh perspective that differentiates it from all other texts on the market. Brandon Rottinghaus, a well-known political scholar, media commentator, and Dallas native, fills the text with his own insider anecdotes, making Inside Texas Politics, Second Edition, fun and relevant for today's students. The text's visual representations of data help students foster the skills they need in order to understand and think critically about the political world around them.
