

## Performance Management

---

Performance Management is a comprehensive textbook specially designed to meet the requirements of MBA students specializing in HR. The textbook focuses on managerial decision-making and application of concepts through examples, caselets and case studies. The textbook includes exhibits, diagrams/ illustrations, management cartoons, key terms, review and discussion questions, critical thinking questions and web based exercise. It also provides large number of performance management proformas and templates which would be useful to teachers, students and practitioners.
