Peace, Security, and Conflict Prevention

SIPRI-UNESCO Handbook

Peace, Security, and Conflict Prevention: SIPRI-UNESCO Handbook is a comprehensive, concise volume on security and conflict prevention in the post-cold war period 1992-96. It is drawn from the results of SIPRI's research and includes chapters on major armed conflicts; armed conflict prevention, management and resolution; world military expenditure, arms production and the arms trade; nuclear, chemical, and biological weapons; the arms control and agreements currently in force and under negotiation; the United Nations Organization; and special studies of regional and subregional security in Europe and Asia. A detailed chronology lists the major events of 1992-96 related to peace, security, and conflict prevention. The book also includes a useful glossary of terms and acronyms used in the security literature and gives the membership of international organizations concerned with security issues.
