Student Workbook for Pharmacology Made Simple

Reinforce your understanding of pharmacology with this practical workbook! Corresponding to the chapters in Pharmacology Made Simple, this workbook helps you review, practice, and apply the pharmacology knowledge you will need as a healthcare professional. Review questions and exercises provide "skills drills"-style practice to help you understand and apply key terms and concepts. Not only will you get more out of the textbook, but you will also gain confidence and improve your job readiness! - Content focuses on what you need to know. - Word definition and mnemonic exercises help you build your vocabulary in pharmacology. - Multiple-choice, true/false, and matching questions test your knowledge of key concepts and build comprehension. - Dosage calculations problems reinforce your skills in basic and applied math. - Visual exercises challenge you to apply concepts to the practice setting.
