The Europa Regional Surveys of the World 2020

9 -Volume Set

The Europa Regional Surveys of the World Set 2020 is a timely and authoritative reference source, vast in its scope. The set consists of nine volumes, covering all the world regions, from South Asia to North America. These can be purchased individually or together. Each volume provides a vast range of background material, statistics, directory information and expert analysis of the social, political and economic situation for each of the individual countries within that region. Whether you want to source authoritative data on copper output in Chile, or gather information on the recent uprisings in North Africa and the Middle East, the Regional Surveys can be your first port of call. Users will also find useful directory information, including email and telephone numbers, for key contacts in government, finance, tourism, etc. Titles in the series: Africa South of the Sahara; Central and South-Eastern Europe; Eastern Europe, Russia and Central Asia; The Far East and Australasia; The Middle East and North Africa; South America, Central America and the Caribbean; South Asia; The USA and Canada; and Western Europe.
