Hunters and Gatherers (Vol II)

Vol II: Property, Power and Ideology

All that is central to the dynamic process in human society is evident in the study of hunter-gatherers - peoples whose subsistence way of life reflects the original form of human adaptation. This is the thesis of these wide-ranging volumes in which internationally leading scholars consider hunter-gatherer peoples in Africa, Asia, Australia and North America and reflect theoretically on the hunter-gatherer condition. Volume 1: Hunters and Gatherers - History, Evolution and Social Change Volume II: Hunters and Gatherers - Property, Power and Ideology
