Corporate Governance in Zimbabwe's Public Entities

Comparisons with South Africa and Australia

This study focuses on the corporate governance initiatives, laws and regulations aimed at enhancing the effectiveness of boards of public entities in Zimbabwe. The key question addressed is whether or not the corporate governance initiatives and legal and regulatory reforms in Zimbabwe are sufficient to enable boards of public entities to effectively discharge their duties and meet internationally accepted corporate governance standards. A comparative analysis of Zimbabwe's public entities corporate governance framework to that of South Africa (a developing country like Zimbabwe) and Australia (a developed country with similar common law heritage) is also conducted. Recommendations are made on how best to enhance the effectiveness of boards of public entities in order to promote good corporate governance practices in Zimbabwean public entities.
