From Medical School to Residency

How to Compete Successfully in the Residency Match Program

Looking for a guide to help you understand "The Match"? Look no further than this indispensable resource from a noted physician who has spent years advising students and selecting residents. This book gives the student all he/she needs to know to successfully match in a residency program in 2000 and beyond. It is the only guide that fully covers the electronic application and match process, complete with lots of screen shots. This manual will also address questions students should ask and strategies for successful matching.
