

Archbold: International Criminal Courts

Practice, Procedure and Evidence

Archbold International Criminal Courts provides a comprehensive guide to the practice, procedure and rules of evidence applicable to all international criminal courts. Covering the rules, processes and decisions of trial and appellate chambers of the ICC, the work ensures you are following the correct procedures at all times. Provides a comprehensive guide to the practice, procedure, and rules of evidence applicable to all international criminal courts. Covers the rules, processes and decisions of trial and appellate chambers of the International Criminal Tribunal. Advises on how to prepare for cases and directly participate in trial proceedings. Details how to manage specific offences such as crimes against humanity, crimes of aggression, genocide etc. Incorporates Sentencing, Appeals and Legal aid. Covers the emerging field of victim participation and reparation. Explains the structure of the courts and the powers they have. Covers the ICTY/ICTR/ICC/ECCC, UN Special Courts for the prosecution of serious international crimes in Sierra Leone, Cambodia and Lebanon. Presents the material in a comprehensive manner with detailed annotation. Disperses commentary between the carefully selected sections, parts of statutes, draft, treaties etc. **WHAT'S NEW** The caseload of the ICC has increased dramatically over the last few years to cover a number of countries including Sudan, Kenya, Libya, The Ivory Coast and Mali, which are included in the new edition. Before the ICTY, the highest level cases are being tried, including those against Ratko Mladic and Radovan Karadzic. The Charles Taylor appeal has been completed before the Special Court for Sierra Leone with judgment expected shortly. The second case against the former Khmer Rouge leadership before the ECCC is at an advanced stage. Trials are due to start at the Special Court for Lebanon. Other conflicts around the world, including in Syria, may involve criminal prosecutions.
