

## Sourcing World

### Jurisdictional Comparisons

The new 2nd edition of Sourcing World: Jurisdictional Comparisons is the essential reference guide for all those involved in international outsourcing transactions. Covering a range of key jurisdictions worldwide, it outlines the law relevant to outsourcing in each country, and is structured to allow easy comparisons between jurisdictions. - Covers the law in 18 important jurisdictions - Features contributions from specialist lawyers in each jurisdiction ensuring readers benefit from local expertise - Offers a well organised starting point for international reference - Explains the statutory framework and industry specific regulations - Covers charging, adjustment of fees, auditing and benchmarking - Looks at employment, tax and insurance issues - Deals with term and termination, notice periods, mandatory termination, prolongation rights, and termination management - Discusses subcontracting and assignment - Covers dispute resolution, including jurisdiction issues, litigation, arbitration, mediation and fast track processes - Uses a reader-friendly Q&A format that enables quick and easy crossjurisdictional comparisons - Includes an introductory overview examining sourcing transactions from the different perspectives of the major market participants – customers, suppliers, business advisers - Provides straightforward, practical commentary on each jurisdiction
