## Asian Regional Governance

Crisis and Change

---

Jayasuriya looks at the changing global and domestic political economies shaping the new regionalism in Asia, and examines the relationship between regional domestic, political and economic structures and forms of regional governance. Well-known contributors in the field focus on the impact of globalization on Asian regionalism, new security challenges, monetary cooperation, sovereignty, democratization, industry policy and China's engagement with southeast Asia. Providing a detailed overview of the conceptual foundations of regional governance, this text is an indispensable resource for all who want to understand the emerging dynamics of regionalism in the Asia Pacific.
