RLE: Economics

Routledge is delighted to announce the publication of the Routledge Library Editions: Economics. Re-issuing books originally published between 1920 and 1986, from the Routledge, Allen & Unwin, Routledge & Kegan Paul, Methuen and Hutchison imprints, this landmark series charts the history and evolution of economics through the writings of some of the greatest names in the subject area, including several Nobel Prize winners. Names such as Friedrich Hayek, Nicholas Kaldor, W.A. Lewis, M. Kalecki, Fritz Machlup, D.N. McCloskey, James Meade, Léon Walras, Joseph A. Schumpeter and G.L.S. Shackle are just a few of the eminent economists whose work is represented. To suit individual requirements, these volumes are available as a whole set, mini-sets or as individual volumes.
