Widow to Widow

How the Bereaved Help One Another

Widow to Widow shares the experiences of widows who have found comfort and continuity in mutual-help and community support programs. In the second edition of her pioneering text, Phyllis Silverman brings the success of the original widow-to-widow program into the 21st century, preparing a new generation of community leaders, clergy, counselors, hospice staff, social workers, and the widowed themselves to organize and implement mutual-help programs.
