Ethics for Addiction Professionals

Guidance for addiction counselors in understanding and applying ethical standards Filled with proven strategies to help you examine your current practice for ethical snags and refresh your ethical thinking, Ethics for Addiction Professionals leads you in examining, building, and rebuilding aspects of your ethical practice with the goal of helping you become the strongest clinician possible--ethically speaking. Up-to-date and comprehensive, this practical guide examines real-life examples of ethical issues in clinical practice and illustrates potential pitfalls and the actions needed when faced with dilemmas. Helping addiction counselors learn how to deal with and apply ethical standards, Ethics for Addiction Professionals explores the gray area of common dilemmas and provides guidelines on how to determine the best course of action when the best course is unclear. * Covers basic principles that affect current ethical concerns and dilemmas * Includes illustrative real-world case studies * Features well-defined professional codes of ethics * Treats ethics as a set of guidelines designed to protect the client, the clinician, and the profession as a whole

"This book addresses the key ethical issues by providing clear statements of principles as seen through the lens of clinical practice. It is organized around protecting the client, client information, the community, and uniquely, the counselor. What a concept: protecting even the counselor. Buy this book!" -David J. Powell, PhD, Assistant Clinical Professor, Yale University, School of Medicine Guidance for addiction counselors in understanding and applying ethical standards Filled with proven strategies to help you examine your current practice for ethical snags and refresh your ethical thinking, Ethics for Addiction Professionals leads you in examining, building, and rebuilding aspects of your ethical practice with the goal of helping you become the strongest clinician possible--ethically speaking. Take a look inside for coverage of: * Basic principles that affect current ethical concerns and dilemmas * Illustrative real-world case examples * Professional codes of ethics * Ethics as a set of guidelines aimed at protecting the client, the clinician, and the profession as a whole Up-to-date and comprehensive, this practical guide examines real-life examples of ethical issues in clinical practice and illustrates potential pitfalls and the actions needed when faced with dilemmas. Helping addiction counselors learn how to deal with and apply ethical standards, Ethics for Addiction Professionals explores the gray area of common dilemmas and provides guidelines on how to determine the best course of action when the best course is unclear.
