

Kuromiya

## Kuromiya, H: Stalin

---

This profile looks at how Stalin, despite being regarded as intellectually inferior by his rivals, managed to rise to power and rule the largest country in the world, achieving divine-like status as a dictator. Through recently uncovered research material and Stalin's archives in Moscow, Kuromiya analyzes how and why Stalin was a rare, even unique, politician who literally lived by politics alone. He analyses how Stalin understood psychology campaigns well and how he used this understanding in his political reign and terror. Kuromiya provides a convincing, concise and up-to-date analysis of Stalin's political life.
