

Rappoport

Folklore Of The Jews

First published in 2007. This classic work draws together the whole rich field of Jewish Folklore- the popular beliefs, practices, superstitions and traditional wisdom relating to all aspects of life. Dr. Rappoport has organised the book around four main themes: nature, the heavenly bodies and mythological and cosmological motifs; fauna and flora; human life including birth, marriage, illness and death, omens and portents; and supernatural and natural powers including demons and spirits, witchcraft, charms and spells. There are chapters on folk medicine, demonology, customs and practices, as well as a selection of Jewish legends and folktales, and a collection of Hebrew and Yiddish proverbs and popular sayings.
