A Million and One Nights

A History of the Motion Picture

First published in 1964. When A Million and One Nights was first published in 1926, it was hailed as the first complete source book on the motion picture and its author, Terry Ramsaye, as the first authentic film historian. The intervening years have established A Million and One Nights as a classic, standard work on the history of the motion picture from the beginning through 1925. The contents of this edition are identical with those of the original two-volume edition.
