Ethical Leadership

Creating and Sustaining an Ethical Business Culture

Ethical Leadership shines a light on the role of both culture and ethics in organizations by making the issues more transparent, accessible and above all, connected. Business leaders are now accountable for showing that they have the correct ethical policies and culture in place. Andrew Leigh focuses on the fact that ethical culture is manifest in the actual behaviour and attitudes of all staff, rather than in policy documents. His book is full of practical strategies, case studies and action points which will help leaders to improve and manage ethical culture and climate in their organizations.
