Ethical Issues in Advanced Nursing Practice

Nursing staff of many specialities are taking on and developing their roles in new and advanced practice areas. Patients will be offered new services from highly skilled advanced nurse practitioners. Such nurses need guidance, direction and information to assist them in their new roles. This book will offer insight and guidance on a variety of issues that are likely to be encountered by the Nurse Practitioner in everyday practice. *
·First book presenting ethical challenges at Nurse Practitioner level * * · Aims to guide practice and offer points for discussion and reflective thinking
