Qualitative Research in Sociology

Qualitative Research in Sociology offers a hands-on guide to doing qualitative research in sociology. It provides an introductory survey of the methodological and theoretical dimensions of qualitative research as practiced by those interested in the study of social life. Through a detailed yet concise explanation, the reader is shown how these methods work and how their outcomes may be interpreted. Practically focused throughout, the book also offers constructive advice for students analyzing and writing their research projects. The book has a flowing narrative and student-friendly structure which makes it accessible to and popular with students. It will be an invaluable resource for students and researchers, helping them to undertake effective qualitative research in both sociology and courses in social research across the social sciences.
