Clinical Laboratory Pearls

Designed to provide a quick, concise guide to the clinical laboratory, Clinical Laboratory Pearls packages all the relevant science and important pathology concepts that residents, practicing pathologists, and laboratory technicians need to know in a book that fits inside the pocket of a lab coat. This handy, convenient resource offers "pearls" of wisdom, which are concepts, key points, and practical advice gained by the collective experience of a team of experts, as well as information on the most common laboratory tests and processes.
