## Essentials of Pediatric Nursing

---

"Essentials of Pediatric Nursing is intended for Pediatric Nursing courses with an integrated pediatric curriculum. It provides a unique concept-based approach and nursing process focus, that helps students go from concept to application by building on previously mastered knowledge from other courses. Organized into four logical units, Kyle: Essentials of Pediatric Nursing covers a broad scope of topics with an emphasis on common issues and pediatric-specific information. In addition, it has a variety of learning features to ensure student retention, such as, Healthy People 2010 boxes, Threaded Case Studies and Comparison Charts highlighting common diseases. Plus, it includes a BONUS CD-ROM and companion website that provide numerous resources for both students and instructors, including video clips of each developmental stage and care of the hospitalized child!
