## Aerosol Inhalation: Recent Research Frontiers

Proceedings of the International Workshop on Aerosol Inhalation, Lung Transport, Deposition and the Relation to the Environment: Recent Research Frontiers, Warsaw, Poland, September 14; 16, 1995

A group of highly esteemed aerosol scientists - physicists, chemists, biologists and toxicologists - met in Warsaw in September, 1995, in order to discuss the latest developments in the field of aerosol health subjects, including inhalation, lung transport and deposition. The relationship of these subjects with the environment was also addressed. This book contains the proceedings of the Workshop and also documents the ensuing panel discussions. Subject Index included.
