Beth Henley

A Casebook

Beth Henley was awarded the Pulitzer Prize in Drama and the New York Drama Critics Circle Award for Best American Play for her first full-length play, *Crimes of the Heart*, yet there has been no book-length consideration of her body of work until now. This volume includes original essays that contextualize and analyze her works from a variety of perspectives, focusing on her vexed status as a southern writer, her use of the comic grotesque, and her alleged feminist critiques of modern society. Receiving special attention are lesser-known plays which are crucial to understanding Henley's development as a playwright and postmodern thinker.
