

## South America, Central America and the Caribbean 2023

---

Published annually, this 31st edition brings together a unique combination of the latest data on, and detailed analysis of, a vast region. Scrupulously updated by Europa's experienced editors, the volume also includes contributions from regional specialists. General Survey Essays written by acknowledged experts on the area provide an impartial overview of the region. Country surveys Individual chapters on each country, comprising: - essays on the geography, recent history and economy of each country - a statistical survey - a full directory section - a select bibliography. Regional Information A directory of research institutes and bibliographies of books and journals covering Latin America and the Caribbean.
