

## South America, Central America and the Caribbean 2024

---

A unique combination of the latest data on, and detailed analysis of, a vast region. Scrupulously revised and updated, this definitive survey of the countries and territories of South America, Central America and the Caribbean combines expert analysis and commentary, up-to-date economic and socio-political data and extensive directory information. General Survey Essays by leading experts on the area cover issues of regional importance, including the rise of the so-called 'pink tide' in Latin American politics; moves towards republicanism and growing calls for reparations in the Caribbean; the cultural and political relevance of religion in Latin America; relations between Mexico and the USA in the context of the US opioids epidemic; popular protests in Latin America; developments in the People's Republic of China's Belt and Road Initiative in the Caribbean and Latin America; and different approaches to transitional justice in several Latin American countries. This in-depth analysis is complemented by extensive coverage of the activities of international organizations operating in South America, Central America and the Caribbean, together with background information on the major commodities of the region. Also included are detailed listings of research institutes studying South America, Central America and the Caribbean, and comprehensive bibliographies of books and periodicals relevant to the region. Country Surveys Individual chapters on each country, comprising: a geographical overview and map, an essay on the history and the economy; an extensive statistical survey of economic and demographic indicators, including area and population, health and welfare, agriculture, forestry, fishing, mining, industry, finance, trade, transport, tourism, communications media and education; a directory of names, addresses and further key information on the constitution, government, election commissions, political organizations, diplomatic representation, judicial system, religion, the media, finance, trade and industry, transport, tourism, defence and education. A bibliography is also provided for further research. Regional Information full details of the main regional organizations active within Latin America and the Caribbean. A separate section is included on major commodities of the area. Also included is a directory of research institutes specializing in the region, and bibliographies of books and periodicals covering the region.
