## Mentor Texts That Multitask [Grades K-8]

A Less-Is-More Approach to Integrated Literacy Instruction

---

Streamline literacy learning with power-packed children's books. Two of the most common challenges educators face is lack of time and resources. In *Mentor Texts That Multitask*, Pam Koutrakos shows how to streamline literacy instruction by using a single mentor text to teach reading, writing, spelling, vocabulary, grammar, speaking, and listening. When you integrate literacy instruction this way, concepts start to come together more clearly for children – and teachers save time and expense. This user-friendly resource is packed with ready-to-go lessons and tools to create, plan, and teach using multitasking texts. The lessons and accompanying ideas can jumpstart learning in the classroom by integrating and connecting literacy concepts in time-efficient ways. Resources include - Full lessons centered on high-quality children's literature to take the guesswork out of planning - A DIY section to help teachers plan and teach lessons around other favorite texts - Dozens of student and classroom examples to show you what's possible - Printables available online to help with immediate implementation. Designed to help teachers build a more inclusive classroom library and instructional practice, this guide highlights texts that represent and celebrate a multitude of characters and topics.
