Orchids for Dummies

Become a plant parent to some of the most stunning flowering plants you've ever seen. Orchids display more beautiful and exotic flowers than you'll find on other flowering plants, but they do require some love and care to grow well. With help from *Orchids For Dummies*, anyone can be successful in growing and flowering these gorgeous and fragrant plants in their garden or home! This step-by-step guide shows you how to select orchids that will thrive in your own unique environment and how to water, fertilize, repot, and propagate them on your own. You'll learn to decipher complicated orchid names ("phalaenopsis," anyone?) and create spectacular displays. You'll also discover:

- * New information about updated plant and orchid classification systems so you can know what to buy at your local garden center or store
- * Expanded info on moth orchids, one of the most popular varieties of the plant sold in the world today
- * Updated instructions on which pesticides, fertilizers, and potting materials you should be using

Perfect for amateur gardeners, orchid-lovers, and anyone interested in growing these exquisite flowers on their own, *Orchids For Dummies* will turn your thumb green in no time at all!

Your ticket to developing a green thumb. Whether you're an expert horticulturist or you struggle to grow a cactus, *Orchids For Dummies* walks you through the steps you need to take to water, fertilize, repot, and propagate orchids on your own. This new edition provides updated information on plant and orchid classification systems so you can pick the right flowers from your local garden center and the latest details on moth orchids, one of the most popular types in the world. Perfect for amateur gardeners and seasoned orchid lovers, this handy guide has what you need to understand these beautiful flowers. Inside:

- * Get started with orchids
- * Choose the right variety
- * Buy the correct tools
- * Create the perfect environment
- * Water and fertilize properly
- * Pot your orchids
- * Learn about hardy orchids
- * Peruse dozens of new color photos
