Twenty-Five Years of GOP Presidential Nominations

Threading the Needle

Twenty-Five Years of GOP Presidential Nominations examines the recent presidential nominees of the Republican Party. The author explores the idea that the presidential defeats of Republican nominees begin with the primary election choice of a moderate candidate in hopes that the chosen candidate's conservative rhetoric will translate into a general election victory. Written in a unique and dynamic style, this book details the recent history of the party's successes and failures through notable figures such as George H.W. Bush and Bob Dole.
