

Kessler

Wise Leadership

A Toolbox for Sustainable Success

Wise Leadership provides current and emerging leaders with a grounded, intuitive framework to help them understand and master multiple leadership identities, allowing them to adapt seamlessly to different leadership settings and challenges. Anchored in a wisdom-based approach, Kessler digs into leadership's philosophical core to uncover the six fundamental challenges leaders face and presents the corresponding set of six synergistic competencies or tools that readers can develop to solve them. Bridging scholarship with practice, each part of this leadership toolbox is outlined in a clear and consistent way so that readers can learn exactly when, why, and how to use it. The user-friendly format also eases comparison and customization of the different approaches along with a consideration of their strengths and dangers. Incorporating colorful examples and practical guidelines, this book will equip both students and professionals with a dynamic repertoire of flexible leadership skills that will help them succeed in any situation.
