Get Through Final FRCR 2A

SBAAs

This is the first revision guide to map directly to the new structure of the FRCR Final Part A examination (CR2A). Spanning a broad range of topics, the book follows the core clinical radiology curriculum, covering all modalities. It is divided into 7 test papers, consisting of 120 mixed SBA-type questions with detailed answers in sequential order. Every answer is followed by a short explanation and relevant discussion around the topic with appropriate references. Each paper should take three hours to complete. Delivering over 20 hours of focused exam practice, this guide is a sound investment for trainee radiologists preparing for their Final Part A exam.
