## Play Readings

A Complete Guide for Theatre Practitioners

---

Play Readings: A Complete Guide for Theatre Practitioners demystifies the standards and protocols of a play reading, demonstrating how to create effective and evocative readings for those new to or inexperienced with the genre. It examines all of the essential considerations involved in readings, including the use of the venue, pre-reading preparations, playwright/director communication, editing/adapting stage directions, casting, using the limited rehearsal time effectively, simple "staging" suggestions, working with actors, handling complex stage directions, talkbacks, and limiting the use of props, costumes, and music. A variety of readings are covered, including readings of musicals, operas, and period plays, for comprehensive coverage of this increasingly prevalent production form.
