Auditor's Talk

An Oral History of the Profession from the 1920s to the Present Day

This book is an oral history of the auditing profession in Britain from 1920s to the present day based on extended extracts from interviews with 77 past and present practitioners. Those interviewed ranged from a nonagenarian who qualified in the 1920s, to active contemporaries, from sole practitioners to the present day heads of the Big Five accounting firms. The often candid interviews uncover a surprising variety of experience and opinions and allow a group of often fascinating individuals to tell their own stories.
