

Satzewich

The Ukrainian Diaspora

In this fascinating book, Vic Satzewich traces one hundred and twenty-five years of Ukrainian migration, from the economic migration at the end of the nineteenth century to the political migration during the inter-war period and throughout the 1960s and 1980s resulting from the troubled relationship between Russia and the Ukraine. The author looks at the ways the Ukrainian Diaspora has retained its identity, at the different factions within it and its response to the war crimes trials of the 1980s.
