Group Workbook for Treatment of Persistent Depression: Cognitive Behavioral Analysis System of Psychotherapy- (Cbasp) Patient's Guide

The Group Workbook for Treatment of Persistent Depression is a guide for patients suffering from persistent depression who participate in group therapy. The workbook provides handouts and skills training that require the help of a trained professional to teach and animate in a group format. Patients will be able to maximize their acquisition of emotion coping skills by using this book in conjunction with Group-CBASP sessions.
