## Practice Makes Perfect: Basic Chinese, Premium Second Edition

The go-to guide to Chinese—now with streaming audio of spoken Chinese that dramatically improves your pronunciation skills. From reading and recognizing Chinese script to mastering vocabulary, basic grammar, and sentence structure, Practice Makes Perfect: Basic Chinese provides everything you need to build a solid foundation in this language. Ideal for students looking for reinforcement of instruction in class or from a formal textbook, this workbook provides simplified versions of Chinese characters with the pinyin transliteration, making it easy to read, and all grammar examples have English translations. Practice Makes Perfect: Basic Chinese features:

- Bite-sized formats for grammar, vocabulary, script, and communication structures make learning a snap
- 150 practice exercises and review units that build comprehension
- English-Chinese and Chinese [Pinyin]-English glossaries
- High-frequency vocabulary lists on a variety of key topics
- New to this edition: 60 minutes of streaming audio recordings for increased listening comprehension and accent improvement
