

Planning Your Essay

With essays, the key to success is in the planning. The third edition of this bestselling guide takes students through the complete essay writing process, from planning the task and analysing the question to structuring, drafting and editing their work. It provides practical guidance on how to reference, approach different types of essay and make the most of tutors' feedback. The book also includes useful models for different types of essays from a range of disciplines and new content on synthesising information and planning a case study. This is an essential resource for students of all disciplines and levels who are assessed on the basis of their ability to write essays.

This handy guide takes students through the complete process from what to do before they begin, to using feedback constructively for their next essay. Clearly and well-presented, it includes lively illustrations and now a new chapter on being critical in your essays.
