

Bacall

The Lighter Side of Staff Development

A sense of humor is essential for effective staff development! As educators, we often take ourselves a bit too seriously, so veteran educator and illustrator Aaron Bacall offers a little perspective with these lighthearted cartoons. Whether used as overheads for meetings or as an individual break in a busy day, this collection of whimsical glimpses at staff development will provide a moment to laugh and add a little levity—and poignancy—to your workday. Intended to amuse, inspire, and reveal the simple truths that surround us, these illustrations are ideal for: - Staff training days - Conference presentations - Classroom lectures - Community meetings - Internal communications ...and they will continue reminding us that we can laugh at almost anything! Aaron Bacall's works have appeared in many publications: The School Administrator, Technology & Learning, The New Yorker, The Wall Street Journal, Barron's, and Reader's Digest. He has worked as a teacher, a principal curriculum writer for the New York City Board of Education, an antibiotic research chemist, and now as a full-time cartoonist. He is a member of The National Cartoonist Society and is on the Board of Governors of the Cartoonists Association.
