

Studying Leadership: Traditional and Critical Approaches

This innovative new text will guide students of leadership through the past, current and future of the discipline. It goes beyond the standard topics covered in existing texts to introduce some exciting new themes such as authenticity, toxicity, followership, gender, diversity, arts, aesthetics, language, identity, ethics and sustainability. This makes for a fascinating read, and allows for a more holistic and deeper understanding of the field. A range of in-text features have been developed to enhance your learning experience including boxes highlighting key debates and encouraging critical analysis, 6 long integrative case studies and numerous vignettes to help you apply theory to practice, over 140 reflective questions to test your understanding as well as further reading lists.
