

Walliman

Your Undergraduate Dissertation

The Essential Guide for Success

In the second edition of this best-selling guide, Nicholas Walliman provides expert, step-by-step advice on managing and developing a successful undergraduate project. This book takes you through each stage of your dissertation, answering questions including: - How do I choose an appropriate topic for my dissertation? - How do I write a research proposal? - What's a literature review, how do I conduct it and how do I write it up? - How can I ensure I'm an ethical researcher? - What methods of data collection are appropriate for my research question? - Once I have collected my data, what do I do? - What's the best structure for my dissertation? Full of examples from real student projects, interdisciplinary case studies and illustrated with cartoons to make you smile along the way, this book will tell you all you need to know to write a brilliant dissertation. The Student Success series are essential guides for students of all levels. From how to think critically and write great essays to planning your dream career, the Student Success series helps you study smarter and get the best from your time at university.
