## International Arbitration

Third Edition Documentary Supplement

---

This Documentary Supplement is for use in conjunction with International Arbitration: Cases and Materials, Third Edition. It contains basic source documents, collected in a single volume, for ready access and keyed to the underlying casebook. It includes some materials that are not readily available otherwise. New to the Third Edition: - Proposed Bilateral Arbitration Treaty (discussed in Casebook) - Updated parties to New York and ICSID Conventions - Leading institutional arbitration rules updated in 2020 and 2021
