

STUDYING LEADERSHIP 2/E

Now in its Second Edition, *Studying Leadership* continues to provide a comprehensive overview of the key theories, topics, research debates and major developments in the field of leadership studies. Split into three parts, the book covers the traditional and mainstream theories on leadership; the main topics and perspectives explored in leadership research, and the recent trends in leadership studies such as gender and diversity, ethics, sustainability, language and identity. The new edition features a chapter on "Researching Leadership" and includes extended case studies to enhance learning and support students with their dissertations and research projects. The book is complemented by a companion website featuring a range of tools and resources for lecturers and students, including chapter specific multiple-choice questions, case studies, videos with critical thinking questions and discussion questions, free SAGE journal articles, PowerPoint slides and an instructor's manual. Suitable reading for students on leadership courses across a range of subjects including Business & Management, Health and Education.
