## Direct Social Work Practice

Theories and Skills for Becoming an Evidence-Based Practitioner

Using a case-based approach to connect the classroom and the practice environment, this foundational text incorporates a broad set of themes that include advocacy, social justice, global focus, ethics, theory, and critical thinking. Integrated, up-to-date, evidence-based content related to diversity, social justice, and international issues helps readers develop the basic skills of engagement, assessment, intervention, and reflective practice, as well as the key skills needed for the field experience. Each chapter of the book is mapped to the latest Educational Policy and Accreditation Standards (EPAS) to aid schools of social work in connecting the course content with monitored outcomes.
