

FINANCIAL MGMT FOR PUBLIC HEAL

Reflecting recent changes in accounting standards, this Sixth Edition of Financial Management for Public, Health, and Not-for-Profit Organizations, by Steven A. Finkler, Daniel L. Smith, and Thad D. Calabrese, provides a comprehensive yet practical introduction to the financial decision-making and management skills required of students and practitioners in the public, health, and not-for-profit sectors. Assuming that you have no prior training in financial management, the authors artfully combine the principles, theory, and analytics of accounting and finance. In every chapter, a wide range of exercises, case studies, and problems help you develop strong financial assessment and judgment proficiencies while reinforcing the essential mechanics of accounting.
