## Research Methods Made Simple

Stories, Games & Puzzles to Help You Understand

Practical. Interactive. Engaging. This book provides an imaginative alternative to doing research methods. With visual prompts and easy-to-follow activities, it will help you understand the basic foundations of the research process in bite-sized pieces that suit your way of learning. Including activities such as word searches, crosswords, spider charts and puzzles, this book will help you gain a wider understanding of how, and why, specific research methods are used. Complete with a variety of learning features, this book will: - Build your understanding of the core principles of research. - Help you to interpret different methods and their practicalities. - Aid you in identifying your weakness and adapting useful techniques to combat these. - Stand as a visual toolkit that sets content out in bite-sized pieces. Perfect for beginners, this user-friendly guide will give you a deeper understanding of research methods through action, images, and visualization.
