Learn more about Connected eBooks An Illustrated Guide to Civil Procedure is a student-friendly and problem-based introduction to how the federal rules operate in the context of a realistic age discrimination case. Students work with the Rules as the case carries them from client intake to trial, all the way to a resolution of the case. They shadow the attorneys and actively participate by making strategic and tactical decisions, and by reviewing and critiquing complaints, answers, motions, and discovery pleas. Truly an illustrated guide to Civil Procedure, this companion supplement is a great asset to all Civil Procedure courses, whether they begin with jurisdiction or the rules of pleading. New to the Fourth Edition: - Updates reflecting all changes to the FRCP, including: - Amendments that change the time periods within which most actions under the Rules need to be taken - Provisions that address issues related to the discovery of electronic information - Amendments concerning summary judgment and discovery related to expert witnesses Professors and students will benefit from: - A book designed to be either used in-class as a required text or out-of-class as a useful reference - Exploration of the procedural rules covered in a one or two-semester course - Notes, questions, exercises, tactical and drafting tips, maps, and illustrations contribute to a dynamic learning environment - Questions that Students are repeatedly assessed through questions requiring application of procedural rules to the hypothetical suit.
