## The Road to Champagne

13 Principles to Drive Career Success

Don't get stuck! Too many smart and well-educated young professionals struggle growing and finding success simply because they lack powerful insights on how to address the main root causes of slow growth. The Road to Champagne empowers professionals everywhere—including you—to accelerate career growth by clearly presenting how to remove such root causes. The logical framework consists of 13 principles; each one illustrated by real events and supported by practical actions to help you embed them in your life. This pragmatic career guide is perfect for any professional with room to grow; hence, it will help: - Those starting their career including students, recent grads, and those who are several years into their career - More seasoned professionals with untapped growth potential "The Road to Champagne is the ultimate tool guide to understanding how you can achieve your next steps, with actionable and powerful advice to navigate you through the process!" according to award-winning Dr. Marshall Goldsmith, one of the world's leading executive educators, coaches, and New York Times #1 bestselling author. Cheers to your many upcoming career achievements, you are about to turbocharge your drive to success!
