Managing Projects With PMBOK 7: Connecting New Principles With Old Standards

This book provides a simple explanatory guide for the layman that clarifies the 'big picture' of the PMBOK. The Guide to the Project Management Body of Knowledge (PMBOK), published by the Project Management Institute, provides a roadmap of performance domains designed to support project managers in all phases of project management. The sheer number of models, methods, and artifacts may leave project managers in a quandary about where to start and how to apply the many components. This book provides a simple explanatory guide for the layman that clarifies the 'big picture' of the PMBOK.
